

*Silent to the Bone*

Reading Comprehension: Chapter 9

- 1) Connor states, "I could understand how Branwell might have gotten interested in jumpers and hair grips and not just because they were the *English* English names of things." What does Connor understand this?
- 2) When Margaret says, "Watch your head," to Connor, what is she referring to?
- 3) Why do you think Vivian chews her peanuts so slowly? (It has nothing to do with choking)
- 4) Connor states, "At that moment, I knew why no one should be allowed to play with matches. There's no telling what besides a cigarette may catch fire. "What is he referring to?
- 5) How have Connor and Branwell had similar experiences with Vivian?
- 6) Write a paragraph on what your thoughts are on Vivian. (Separate sheet of paper)
