

Silent to The Bone

Reading Schedule

Silent to the Bone will be an independent reading novel. Each chapter will have reading comprehension questions accompanied with internet based research questions. You are to complete the questions AT HOME. The questions will be followed by an exit quiz. Remember, if you don't see your score after your quiz, the testing site did not record your score. If you are having computer issues at home, you have many resources: The school library during your work-study or lunch, the school library after school, the Levittown Public Library, and my classroom on Tuesdays and Thursdays. Any work that is missed is up to you to make up. I will not accept any work after the test date. There is no point in making up work after the test has been taken.
